Annington marks major milestone with first units launching in Mindenhurst

The Weald, Malta Road

A significant milestone in the transformation of Mindenhurst village, Surrey, has been reached, as Annington announces the launch of its first collection of refurbished rental homes to market at The Weald.

A selection of three-bedroom homes will be released to the rental market on Friday 21st November, with the opportunity for aspiring tenants to visit a dedicated show home on Malta Road, and to see progress made as part of the ambitious project to bring 200 homes back to life.

Each home has been thoughtfully refurbished, including new windows, doors and flooring throughout. All homes have brand new bathrooms, spacious bedrooms and living areas and new modern kitchens with French doors leading to private gardens, making them the ideal place for families to call home. The homes offer plenty of space, including a utility area, separate guest toilet and additional room which could be used as storage, a home office, or pantry.

The transformed homes are situated in a highly desirable location, surrounded by woodland, with local amenities nearby. The Frog Pub and Restaurant is just a 15-minute walk away, and the village green play area is also nearby for residents to enjoy. For families, Lakeside Nursery and Primary Academy, top-rated Tomlinscote Secondary School and Portesbery Special Education School are all in close proximity to Malta Road.

Tenants at The Weald will benefit from Annington's 20 years of experience as a professional landlord, with 24/7 friendly customer support available.

Stacy Whitehead, Marketing Manager for Annington, comments: "This first release represents an exciting opportunity to become part of a growing and vibrant community as Mindenhurst continues to evolve into one of Surrey's most desirable new neighbourhoods.

"It's fantastic to see these homes on the market and to invite the local community to see the progress we are making in Mindenhurst's regeneration. The homes on Malta Road have been refurbished to a high standard and are surrounded by green open spaces and amenities that make Mindenhurst a great place to live and put down roots."

Alan Dolman, Land Development Agent at Bridges Estate Agents, Mindenhurst, adds: "Surrey remains one of the most popular locations for renters, with high demand for family homes continuing to shape the local rental market. The homes on Malta Road offer generous plot sizes, bright interiors and include the rare addition of a dedicated utility space. With updated interiors and the ease of a fully managed rental property, residents can enjoy modern living in a peaceful village setting at an appealing price point.

“We have seen a significant level of interest already, as the community has been eagerly awaiting updates on this exciting project. We are looking forward to showing future residents around this brand-new village.”

Ideally located for commuters, the homes are a 30-minute drive to Guildford and just under an hour from Reading. Meanwhile, regular trains from nearby Farnborough Station reach London Waterloo in just 38 minutes.

On the doorstep is Deepcut Village Community Centre, with a timetable of community activities including an art club, a photography club, adult dance classes and children’s play groups. Just 20-minutes away is The Lexicon shopping centre in Bracknell and a wide range of shops and restaurants can be found in nearby Frimley Green and Camberley in under 10 minutes.

Annington’s rental homes on Malta Road at The Weald are available to view via appointment only from 21st November 2025.

Prices start from £1,850 per month for a three-bedroom home. To find out more and to book a viewing, visit the website, www.the-weald.com or contact the appointed lettings agent Bridges via 01276 417191, or email theweald@bridges.co.uk.
