Prices at Choulston Close start from £1,300pcm for a three bedroom home Picture: Annington

REFURBISHED MOD HOMES AVAILABLE TO RENT IN NETHERAVON

10 REFURBISHED three-bed Ministry of Defence (MOD) homes will soon be available to rent in Netheravon.

Available on Choulston Close on the outskirts of Netheravon, the newly decorated homes benefit from a refurbished interior, including new front doors and flooring throughout, a spacious garden and new fencing, while also offering residents hilltop views of the Wiltshire countryside.

Each home also comes with allocated parking.

Annington said that research revealed Wiltshire as one of the top five hottest rental markets last year, with nearly half of all rental homes listed to rent already taken by tenants.

To help meet the increasing demand in the area, Annington is bringing these 10 three-bedroom refurbished homes to the market.

Buyers can get a first look at the homes that will be on offer at an open day on Saturday (May 24).

Stacy Whitehead, marketing manager for Annington, said: "With such a high demand for homes like these in Wiltshire, Choulston Close is the perfect option for renters looking for refurbished homes, with access to the countryside right on the doorstep.

"There is a limited supply of homes for young professionals and families in this sought-after area, and our Choulston Close homes will offer a unique rental opportunity for those looking to put down roots.

"We are looking forward to seeing the interest from local residents as we bring these homes to market."

Archie Blackler, senior sales and lettings negotiator at letting Northwood, said: "Choulston Close is an exciting launch for many prospective tenants in the area, waiting for spacious rental homes to become available.

"We predict that these homes will be in high demand, particularly amongst Salisbury tenants looking to find a place to call home away from the crowds and monthly price tag often associated with the city's competitive rental market.

"Annington's refurbishment, paired with the open layout of these homes makes them a great choice for families or couples looking for more space in a quieter countryside location."

Pet-friendly homes at Choulston Close are surrounded by plenty of green space for furry companions thanks to their semi-rural location, as well as featuring an on-site play park for children to explore.

A convenience store can also be reached in just a three-minute walk, while Netheravon All Saints Primary School is only a 13-minute walk from the homes and a secondary school, Avon Valley Academy, a nine-minute drive away.

This collection of homes is less than a mile outside of Netheravon, a quaint village with Saxon roots in the Wiltshire countryside.

Netheravon is home to a vibrant local community that regularly hosts events, such as the British Pedal Car Race each summer and the church fete every September.

The local area is rich in history, with one of the UK's most famous historic landmarks, Stonehenge, only a 15-minute drive.

The nearby village of Durrington also offers a host of restaurants, pubs and independent shops, as well as two supermarkets.

Prices at Choulston Close start from £1,300pcm for a three-bedroom home.
